

PRESENTING THE **WINELAND BANJO BAND**

Livermore, California
(925) 455-6835

- Special events
- Birthdays
- Weddings
- Retirement Homes
- Parties
- etc.

Four-string banjos play Dixieland jazz tunes composed from the gay 90's through the 40's. Seniors are delighted to hear familiar sing-a-long tunes. Younger people are excited because this style of music is novel to them. How often do you hear lots of 4-string banjos happily strumming together? Enthusiastic toe tapping and singing characterize our audiences. You'll surely enjoy hearing nostalgic songs of yesterday.
